Village Homes has tried to ensure that our printed materials for all of our homes are comprehensive and factual. We reserve the right, however, to make changes without notice in pricing, options added, specifications, materials, etc. Due to continuous product development and improvements, your home may differ in manufacturing, color and options available at the time of construction. Specifications, dimensions and measurements on printed materials are approximates based on in-house design and/or engineering drawings. Any included images are artist renderings and not intended to be an accurate representation of the home. Renderings and floor plans may be shown with optional features or third party additions.
